## ONLINE COURSES AND SCHOOLS

We are excited to offer a range of courses in 2026 that will significantly strengthen and equip all participants. Our classes are designed to inform minds and transform hearts by offering premium world-class training in areas that we feel are unique to our signature strengths.

***Our passion is to equip pastors and leaders in apostolic heart culture, sonship and the glory of transformation!***

**As in 2025, all schools will now be run exclusively through Eventbrite and linked to the Zoom platform. No enrolment process is necessary for our short courses or schools. Just log in to your account on Eventbrite and sign up for one or all of our courses!**

In 2026, Bev Loft joins our permanent teaching staff to take us on an incredible journey towards being equipped in heart healing. We also have some other great surprise courses planned for 2026!

*We will update you weekly with information about new courses, opportunities, and ways to connect with our growing online community.*

All our schools are live and will have prayer ministry times after the training sessions. Those who participate in the live stream will be able to join the prayer ministry time at the end of the session. These times are not recorded for privacy reasons. Sometimes prophetic ministry breaks out during these times, so it's a good idea to have a recording device handy.

Our TERM ONE COURSES are nearly all up! Have a look and know that we are adding more all the time!

## **MENTORING IN 2026**

Our mentoring program in 2025 was fantastic, with tremendous responses and feedback from participants.

In 2026, students can embark on a mentoring journey without attending specific schools. One of the primary needs we identified last year was that our students need greater community among like-minded men and women, and we are excited to offer support and equipping in this area.

### **The mentoring groups draw topics from:**

- Videos we put on the Facebook page that spark conversations and training opportunities
- Our courses or the current trends in our thinking about theology, needs in the Christian church or even at times discussion on our responses
- Focus on topics of their choice that are relevant to them and/or the group

There will be some reference to the current courses at times, and to Phil and Maria's written materials; however, this is not training, but rather a guideline to facilitate deeper discussion.

PLEASE NOTE: Online Mentoring is a powerful adjunct to local church life, but it is not a substitute for powerful connections on the ground in your local church. We prefer that all our members are

1. Connected to a local congregation, OR
2. If not in a local body of believers, then "under" apostolic leaders who know they are covering you.

### **Mentoring Small Groups**

People can choose from a selection of mentoring groups, and the group they feel personally connected to. Here are the groups we are offering in 2026.

- **Growing in Prophecy Group**  
This group is for those who are seeking to grow in the prophetic and seeking personal prophetic mentorship or guidance on bringing this gift to the local church.
- **Prophetic Minister's Group**  
This group is for those who are already active in this sphere. Participation is by invitation or upon application. Maria Mason leads this group.

- **Growing as Leaders Group**

This group is for those who are not in senior leadership positions, but are seeking to grow as leaders through learn from those who have gone before them, and offering guidance and a forum for discussion. Jim and Katherine McIntyre lead this group.

- **Teachers + Equippers Group**

This group is for emerging and established teachers and trainers seeking a space to discuss and explore issues relevant to the teaching ministry, as well as be trained in brilliant theology. Phil Mason leads this group, and there is no limit on the number of people.

- **A House of Prayer Group**

This is a unique group for those with a passion to grow in prayer/worship culture. Rosie Moulton and a small team lead this group.

- **Frontline Ministers Group**

This is for leaders (senior or support) seeking a space to collaborate with other leaders as we explore issues relevant to planting and leading churches, house churches or houses of prayer in this unique season. This team is led by Phil and Maria Mason.

## **Mentoring Program Costs**

Due to rising costs and our desire to pay our mentors, we are raising our costs this year.

- One-month costs \$25 per session, per person, made payable on the first of each month.
- Plus, a one-off administrative fee of \$50 per person to cover our administrative costs- \$250 for the year.
- Payments can be made for the whole year or monthly. We will provide account details upon application and acceptance.
- Folks reapplying from 2025: you are in! However, we need you to pay the admin fee and email ***Jim McIntyre (see below)*** with your request to rejoin.

Many leaders in local churches may be able to cover the cost of mentoring as part of their Ongoing Professional Development [OPD]. Our team can provide an OPD document for proof, upon request.
